Note: Veterinary dental surgical extraction labs are off-site at the Holiday Inn, Airport location. See registration page for details.

\*Pre-Conference Sessions (Oct 2-3, 2019) require an extra fee and a separate registration from the main conference. Delegates must register for Veterinary Education Today in order to qualify for registration for a workshop or wetlab. You will be given the opportunity to register for wetlabs and workshops after you register for the conference. Workshops have limited space available. We suggest you register early to avoid disappointment.
